# **Reference guide for health care providers**

## MCG Cite autoauth provider access

The following steps outline how providers can submit prior authorization requests using the MCG Cite autoauth process within Availity Essentials for advanced imaging.

#### Step 1:

- User will sign into **Availity** using their sign-in credentials.
- Once logged in, user will select the drop-down Patient Registration and choose Authorizations & Referrals.

Availity Cessentials A Home A	Notifications (3)	🗢 My Favorites	; ~

## **Step 11**:

• User will then select **Submit Request** button.

This system provides access to MCG evidence-based guidelines; however the determinations made using this system are directed by the health plan, based on a number of factors.

#### Step 12:

- User will be taken back to the **Availity Authorization Request** screen.
- Select **Next** button to continue the authorization process.

## **Step 15**:

Review outcome of submission:

- Pended = Requires medical review.
   If requiring medical review, the request will undergo the current internal review process.
   Provider will be notified of the decision using the current notification process.
- Certified in Total = Approved.
   If approved, provider can continue with service requested.
