New Provider Webinars on 2023 Medicaid Redetermination

The Centers for Medicare & Medicaid Services (CMS) has issued guidance requiring all state Medicaid agencies to resume redetermination activities by April 30, 2023, beginning with members having a redetermination date of June 30, 2023.

It is imperative that we help Medicaid recipients renew their benefits so they don't lose health care coverage, which would likely result in their inability to access health care services. Molina Healthcare of Illinois (Molina) is sharing details about Medicaid redeterminations and how providers can assist members.
