

# Provider Memorandum

## Molina Seeks Your Expertise for Quality Programs

Molina Healthcare of Illinois (Molina) invites you, our valued medical providers, to share your expertise and help shape our quality programs. We are seeking physicians like you to participate in planning and oversight, with only a modest time commitment from you.

### Quality Improvement Committee (QIC)

QIC participants provide oversight and monitoring of the Illinois Quality Program, including policies and procedures, department performance, outcomes, etc. You will provide feedback on a variety of issues to improve member outcomes, member and provider satisfaction, Molina operations, and more. Medical doctors from any specialty are welcome, particularly from FQHCs.

### Professional Review Committee (PRC)

PRC participants review quality issues and advise on next steps (e.g., an action plan to prevent the quality issue in the future), as well as review outlier files that indicate issues with the provider's record. You will review credentialing for Wisconsin, quality issues for Illinois and Wisconsin, and credentialing for Illinois Marketplace. Medical doctors from any specialty are welcome, particularly OB-GYNs and surgeons.

### It's Easy to Take Part

- Little prep work required.
- Participate in scheduled virtual meetings quarterly or bimonthly.
- Physicians who partake will receive an hourly stipend.
- Perfect attendance is not required but it is strongly encouraged—and appreciated.
- Join either one or both committees.
