Availity Essentials is Molina Healthcare's exclusive provider portal

Availity Essentials is Molina Healthcare's official secure provider portal for Traditional (non-atypical) providers. Some of the core features available in Essentials for Molina Healthcare include eligibility & benefits, attachments, claim status, Smart claims, Payer Space (submit and check prior authorizations as well as appeal status and appeal/dispute).

Several new features and enhancements have recently been added to Availity Essentials for Molina Healthcare providers. In case you missed it, check out the latest enhancements that were designed to simplify your workflows and reduce administrative burden:

What's new?	How does it benefit me?
Claims Corrections	Molina providers now have access to a new claims correction feature from the claim status page. Claims Correction allows you to correct and resubmit a paid or denied claim from the claim status response page.
Overpayments	Eliminate mail and fax for faster dispute resolution and ensure overpayment requests are up to date. View the status and details of any claim Molina has identified as an overpayment. Request additional information, dispute, or resolve the overpayment.
Patient Search	Save time entering patient information for eligibility and benefits inquiries. Enter the patient's member ID or last name, first name, and DOB, and select the patient matching the criteria. The information will automatically populate on the request.
Molina Medicare Now Included in Molina Healthcare Payer Option	Select only one option in the payer field. The Molina Medicare option no longer displays in the payer field. When you select the Molina Healthcare option for the region, the plan coverage for the member includes Dual-Eligible, Medicare, and Medicaid.
