Update: COVID-19 Vaccination Member and Provider Incentive

Information for Medicaid network providers

The Ohio Managed Care Plans (MCPs) have updated the **$100 COVID-19 (Coronavirus) member vaccine** incentive to now allow members **12 years and older** to receive the incentive, and the member and provider incentive programs have been extended through the end of 2021. The member incentive rewards Ohio Medicaid and MyCare Ohio members who receive their first dose of the COVID-19 vaccine between **Aug. 23 and Dec. 31, 2021**.

As a reminder, providers who administer the vaccine will also receive an administration fee increase through **Dec. 31, 2021 date of service. Federally Qualified Health Centers (FQHC), Rural Health Center (RHC) and Qualified Federal Planning Providers (QFPP)** providers will receive the administration fee increase until Dec. 31, 2021 through the bonus payment process**.**

Please refer to the previously posted network notifications, available on COVID-19 (Coronavirus) page of the Molina Provider Website, for more information about the provider incentive and billing.

To promote the vaccine and incentive to your patients, refer to the Vax on the Spot Provider One Sheet. Additional materials can be found at www.covidvaxonthespot.com. To learn more about the member incentive and share the member incentive information with your patients, reach out to Molina's Provider Services Team at OHProviderRelations@MolinaHealthcare.com.

Molina would like to thank you for your support of the Ohio Medicaid and MyCare Ohio members.
