

Provider Notice

Thank you for your continued support in helping Molina Complete Care (MCC) members live healthier lives.

This is a reminder that on October 1, 2019, MCC stopped accepting weekly and monthly span billing for Crisis Stabilization, Intensive Community Treatment, Intensive In-Home Services, Mental Health Skill-building Services, Psychosocial Rehabilitation Services, and Therapeutic Day Treatment. We continue to allow daily span billing for these services.

Service Type	MCC CMHRS Span Billing Allowances (Effective 10/1/2019)		
	Daily	Weekly	Monthly
Crisis Stabilization	√	X	X
Intensive Community Treatment (ICT)	√	X	X
Intensive In-Home Services (IIH)	√	X	X
Mental Health Skill-Building Services (MHSS)	√	X	X
Psychosocial Rehabilitation Services	√	X	X
Therapeutic Day Treatment	√	X	X

We made this change to improve our ability to track and trend service utilization data. By analyzing this data, we can find new ways to improve care for our members. This change also makes our claim data cleaner, allowing for faster claim issue resolution for affected services.

If you have questions or concerns about this change, please contact us at MCCVA-Provider@molinahealthcare.com.
