

# Provider Newsflash

A fax bulletin for the Molina Healthcare of Washington Provider Network

## NEW: COVID-19 Vaccine Resources Now Available (Medicaid)

### Online COVID-19 Trainings from CDC

Molina Healthcare would like to notify our provider partners about a “COVID-19 Vaccination Training Programs for Healthcare Professionals” listing now available on TRAIN, a national learning network that provides training for public health officials. Provided by the Public Health Foundation, as well as the Centers for Disease Control and Prevention (CDC), the listing includes a list of CDC’s current vaccine storage, handling, and administration trainings; and trainings on communicating with patients about vaccines. Find the listing at [train.org/main/training\\_plan/4870](https://train.org/main/training_plan/4870).

### Pfizer COVID-19 Vaccine Training & Education Series

This week, Pfizer will be hosting a series of training sessions to review information and answer questions about their COVID-19 vaccine. To attend, please click the links below to join the sessions at the designated times:

Date & Time	Password

### Updated COVID-19 Vaccine Webpages

- Visit the CDC’s COVID-19 vaccination website for healthcare professionals at [cdc.gov/vaccines/covid-19/index.html](https://cdc.gov/vaccines/covid-19/index.html). It has been updated to direct healthcare professionals to clinical information vaccine storage and handling information, and vaccination provider requirements and support.
- The new Pfizer-BioNTech COVID-19 vaccine webpage at [cdc.gov/vaccines/covid-19/info-by-product/pfizer/index.html](https://cdc.gov/vaccines/covid-19/info-by-product/pfizer/index.html) has information specific to Pfizer’s vaccine, including resources to assist providers in storing, handling, and administering the vaccine.
