

Accredo -- Your Specialty Pharmacy
Now a Specialty Medication Provider for Molina Healthcare
(applies to Medicaid and Marketplace)

Accredo, a full-service specialty pharmacy, has been selected as an additional in-network provider of specialty medications for Molina Healthcare, effective August 2018. Accredo is in-network for most **Cytokine and CAM Antagonists, Hereditary Angioedema, and Pulmonary Arterial Hypertension medications.**

About Accredo Services

Accredo offers personalized care to individuals with chronic, serious health conditions.

- Broad access to specialty drugs and clinician-verified dosage and safety recommendations
- 24/7 access to our clinicians, plus flexible and convenient delivery to your office or a patient's home or workplace¹
- Care coordination to minimize drug-related adverse episodes or gaps in care
- Medical insurance and pharmacy benefit investigation
- Prior authorization renewals and financial resource coordination

Additional Benefits

Specialized clinicians at our Therapeutic Resource Centers utilize advanced expertise and care management programs to:

- Emphasize patient empowerment strategies to improve adherence
- Support the health care provider/patient relationship and plan of care
- Ascertain whether disease-state signs and symptoms worsen, potentially warranting intervention
- Maintain open lines of communication with you and your patient

With Accredo, you and your patients will have access to a team of pharmacists and nurses with extensive training and experience.

The first step to getting started with Accredo is to submit the prior authorization request to the Molina Pharmacy Team either via fax to **(800) 869-7791** or phone at **(844) 509-7581** or visit MolinaHealthcare.com for instructions on completing a prior authorization.

Once you receive notification of approval from the Molina Pharmacy Team, you can send the prescription to Accredo by faxing it to **(877) 251-6700** or by calling it into **(855) 778-1403**.

Accredo will contact your patient to arrange delivery. Please let your patient know to expect a call from Accredo.
