

## Provider Memorandum

### Annual Medicare Model of Care Training Reminder

The Molina Model of Care is the plan for delivering coordinated care and care management to special needs members.

This training will identify how you, as a provider of care, will support the Molina Model of Care, while understanding CMS requirements for managing those members. In order to ensure Molina remains compliant with CMS regulatory requirements for Model of Care training, receipt of your completed Attestation Form is now due by **November 1st, 2023**.

This year, Molina WI is asking all primary care, psychiatry, hematology & oncology, and obstetric & gynecology providers to complete the training. Review the 2023 Model of Care Provider Training deck, linked below.

**If you have not already done so, complete the Mode of Care Attestation Form and return to [MHWIProviderNetworkManagement@MolinaHealthCare.com](mailto:MHWIProviderNetworkManagement@MolinaHealthCare.com). If you have already completed the training and sent in your attestation, no additional action is needed.**
