

# Affirmative Statement About Incentives

All medical decisions are coordinated and rendered by qualified physicians and licensed staff unhindered by fiscal or administrative concerns. Molina and its delegated contractors do not use incentive arrangements to reward the restriction of medical care to Members.

Molina requires that all utilization-related decisions regarding Member coverage and/or services are based solely on appropriateness of care and service and existence of coverage. Molina does not specifically reward Practitioners or other individuals for issuing denials of coverage or care. And, Molina does not receive financial incentives or other types of compensation to encourage decisions that result in underutilization.
