National Asthma & Allergy

Does your practice work with members to create Asthma Action Plans?

Action Plans can assist in getting and keeping a member **AMR** compliant!

Mental Health Awareness

While society is getting more comfortable discussing mental health, it can still be hard to know **“Where to Start”** when it comes to taking care of your own well-being.

Let’s start the conversation with members on “Where to Start” at their 7-day Follow-up appointments.

**Thank
you!**
