Section 1 – Introduction

This directory provides a list of Brand New Day’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

Use this directory to find Brand New Day network providers for your care needs. Network providers are the doctors and other health care professionals, medical groups, hospitals, and other health care facilities that have an agreement with us to accept our payment and any plan cost sharing as payment in full. We have arranged for these providers to deliver covered services to members in our plan.

It is important to know which providers are with our network because, with limited exceptions, while you are a member of our plan you must use network providers to obtain your medical care and services. The only exceptions are emergencies, urgently needed care when the network is not available (generally when you are out of the area), out-of-area dialysis services, and cases in which Brand New Day authorizes use of out-of-network providers.

Please select one of our network providers who are listed in this directory to be your Primary Care Physician (PCP). The term “PCP” will be used throughout this directory. Generally, you must get your health care services from your PCP.

PCPs are physicians that meet State requirements and are trained to give basic medical care. A PCP will provide most of your care and will help arrange or coordinate the rest of the covered services you get as a member of Brand New Day. This includes: x-rays, laboratory tests, therapy, care from doctors who are specialists, hospital admissions, and follow up care.

The “network providers” listed in this directory have agreed to provide you with your Health care, vision, coverage. You may go to any of our network providers listed in this directory; however, some services may require a referral and prior authorization from Brand New Day.

If you have been going to one network provider, you are not required to continue to go to that same provider. Other physicians/providers are available in our network. In some cases, you may get covered services from non-network providers.

Medical groups and Independent Practice Associations

Brand New Day’s Network includes providers associated with Independent Practice Associations (IPAs) and Medical Groups. An IPA is a group of physicians under contract to provide services to members. If you select a doctor that belongs to an IPA or medical group as your PCP, you may be required to only use doctors that belong to that IPA or Medical Group for care. Additionally, prior authorization for care may be obtained from the IPA or medical group instead of Brand New Day.

Emergency or Urgently Needed Care

Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area you must use plan providers for urgent care. This directory includes a list of contracted hospitals and urgent care facilities.

When out of the service area, urgent care may be obtained from the first available provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider. If you obtain routine care from out of network providers, neither Medicare nor Brand New Day will be responsible for the costs.

When you receive emergency or urgently needed care from a provider who is not part of our network, you are only responsible for paying your share of the cost, not the entire cost. You should ask the provider to bill the plan for our share of the cost. We will look at the bill and decide whether the services should be covered. If we decide the services should be covered, we will pay the provider directly. If you receive a bill that you think should be paid by Brand New Day, please send the bill to: Brand New Day, Attention-Claims Department, P. O. Box 794 Park Ridge, IL 60068.
What is the service area for Brand New Day?

The counties in our service area are listed below. Kern County, Kings County, Los Angeles County, Orange County, Riverside County, and San Bernardino County.

Provider directories are available for each county we serve. Please contact Brand New Day Member Services to obtain directories for other counties:

Member Services number: 866-255-4795
TTY users: 1-866-321-5955

How do you find Brand New Day providers in your area?

[Plans should describe how an enrollee can find a network provider nearest his or her home relative to the organizational format used in the provider directory.] [Note: RPPO plans must fully describe how enrollees residing in any non-network areas of their plan can access covered services at in-network cost sharing.]

You may look for a provider using this directory in several ways. To find a provider in your area, look for the county or area first. Then search the list of providers for that area. If you know the name of the provider you are looking for, use our alphabetical index located in the back of this directory. Our providers are listed according to their associated Medical Group or IPA.

Our directory includes Brand New Day contracted specialists, hospitals, urgent care, and skilled nursing facilities. In addition the directory includes contracted dental providers (We are contracted with Delta Dental to use their network of dentists) and vision providers (We are contracted with OptiCare to use their network of vision care providers).

Most of our providers accept Medi-Cal also. Providers that do not accept Medi-CAL are indicated by a “*”.

If you have questions about Brand New Day or require assistance in selecting a PCP, please call our Customer Service Department at 1-866-255-4795, Monday through Friday 8:00 a.m. to 8:00 p.m. and weekends from 8:00 a.m. to 8:00 p.m. (between October 1st and February 14th). TTY/TDD users should call 1-866-321-5955. Or, visit http://www.brandnewdayhmo.com/].
