

Advanced Imaging Requests

For advanced imaging requests, please submit the request for Advanced Imaging Testing to Fax: (877) 731-7218.

Direct members to Molina-Contracted Freestanding Diagnostic Centers instead of Hospitals whenever possible for these Imaging Services. If services are required at Hospital Setting due to member’s condition, please submit the clinical information with the request that justifies the Medical Necessity for the Place of Service.

If you have general questions for Advanced Imaging please call (855) 714-2415 with FL state code 35, option 2. If you need a peer-to-peer for a recent denial notification, please call (855) 714-2415 with FL state code 35, option 1.
