Providers Performing Telehealth Services: Audio-only Telehealth Services Allowed

Per Nevada Senate Bill (SB) 5 passed during the 81st (2021) Nevada Legislative Session, telehealth visits may be performed using only audio outside of the COVID-19 Public Health Emergency. Effective on claims with dates of service on or after October 1, 2022, the telephone evaluation and management (E&M) codes listed below have been opened to allow audio-only telehealth services to be billed by the provider types (PT) listed below. No claims will be reprocessed automatically as these are go-forward changes.

Attached you will find an announcement regarding Audio-only Telehealth Services Allowed.
