

## Who can get these services?

Children and Youth (under age 21) who are covered by Medicaid and have mental health and/or substance use needs can get Children and Family Treatment and Support Services at no additional cost. These services are covered by regular Medicaid or, if enrolled in a Medicaid Managed Care plan\*, these services are available through the health plan.

## How will these services help?

These children's services meet the individual needs of children and their families/caregivers by:

- Identifying mental health and/or substance use needs early
- Providing support in the home and community
- Preventing the need for emergency room visits, hospital stays, or out of home placements

## \*What is a Medicaid Managed Care Plan?

Medicaid Managed Care Plans are health insurance companies that oversee and coordinate care. Children and youth who are enrolled in a Medicaid Managed Care Plan will get most of their Medicaid benefits through that health plan.

To find out more about Children and Family Treatment and Support Services, contact your health-care provider, Health Home care manager, care coordinator, or Medicaid Managed Care Plan.
